Reviews, including product star ratings, help customers learn more about the product and decide if it's right for them. To calculate the overall star rating ³ the percentage breakdown of STAR, we do not use a simple average. Instead, our system considers things like a recent review and whether ³ reviewer will buy the item on Amazon. Also analiz³ reviews to verify reliability. Learn more ³ how customer reviews work on Amazon³ it seems to be out of line. Preview available in: English³This edition does not have a description³ Can you add one? Want more?
